A complete list of benefit exclusions and reductions is included in the policy. State restrictions may apply to this plan.

This is not intended as a complete description of the insurance coverage offered. Controlling provisions are provided in the policy, and this summary does not modify those provisions or the insurance in any way. This is not a binding contract. A certificate of coverage will be made available to you that describes the benefits in greater detail. Refer to your certificate for your maximum benefit amounts. Should there be a difference between this summary and the contract, the contract will govern.

Voluntary Short Term Disability Premium Here's how little you pay with group rates.

Your estimated monthly premium can be calculated in three easy steps:

1. Multiply your weekly salary (up to \$1,667) by 0.6. If your weekly salary exceeds \$1,667, multiply \$1,667 by 0.6.	$\frac{\$ \text{ weekly salary}}{\text{X } 0.6}$ $= \text{maximum limit}$
2. Select a coverage amount in a \$50 increment that does not exceed the max limit.	$\frac{\$ \text{ coverage amount}}{\text{X premium rate}}$ $= \$ \text{ monthly premium}$
3. Multiply this amount by your age-range premium rate from the table.
