

Special Enrollment Notice

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Finally, if you or an eligible dependent has coverage under a state Medicaid or child health insurance program and that coverage is terminated due to a loss of eligibility, or if you or an eligible dependent become eligible for state premium assistance under one of these programs, you may be able to enroll yourself and your eligible family members in the Plan. However, you must request enrollment no later than 60 days after the date the state Medicaid or child health insurance program coverage is terminated or the date you or an eligible dependent is determined to be eligible for state premium assistance.
